**BURNSVILLE FIRE DEPARTMENT RAISES, DONATES \$1,200
TO FAIRVIEW RIDGES BREAST CENTER**

For the Burnsville Fire Department in October, pink was the new red! The department, in conjunction with Professional Firefighters Local 2910 and 4481, helped raise breast cancer awareness by wearing special edition pink fire department shirts the entire month.

In addition to sporting pink, the two union groups also sponsored a fundraiser to sell the special edition t-shirts. In January, representatives presented the Fairview Ridges Breast Center a check for \$1,200 to be used toward breast cancer treatment, prevention and research.

“This was a fun campaign for a great cause,” said Burnsville Fire Captain Neal Dwyer. “We are hoping we can make this an annual event.”
