## **RECYCLING NOW AVAILABLE IN NUMEROUS BURNSVILLE PARKS**

There's a lot to do in Burnsville's parks – picnics, walks, playgrounds – and now, recycling!

More than 130 new recycling containers have been added in 22 Burnsville parks. Recycling bins will be the same size as adjacent trash cans, and be clearly labeled to show what types of recyclables can be tossed in.

Items accepted in the new park recycling bins include:

- plastic bottles
- cans
- cardboard
- paper products

Recycling bins are located in the following parks:

- Alimagnet
- Archery Site
- Birnamwood Golf Course
- Black Dog
- Civic Center
- Cliff Fen
- Crystal Beach
- Crystal Lake West
- Kelleher
- Lac Lavon
- Neill
- Nicollet Commons
- Paha Sapa
- Red Oak
- Rose
- Rudy Kraemer Nature Preserve
- Sue Fischer Memorial
- Sunset Pond
- Terrace Oaks East
- Terrace Oaks West
- North River Hills
- Wolk

Don't "trash" Burnsville parks. Instead, relax, play and recycle.

For more information on recycling in Burnsville visit [www.DakotaValleyRecycling.org](http://www.DakotaValleyRecycling.org).
