**BURNSVILLE PARKWAY, NICOLLET AVENUE INTERSECTION TO REMAIN  
TEMPORARY FOUR-WAY STOP AT LEAST THROUGH MONDAY EVENING**

Motor Vehicle Accident on July 4 Damaged Signal Control Cabinet

A single vehicle accident on July 4 damaged a control cabinet used to operate signal lights at the intersection of Burnsville Parkway and Nicollet Avenue.

Temporary stop signs have been placed at the intersection, rendering it a four-way stop until crews are able to repair the damaged controls. The traffic signals are expected to remain inoperable until at least the evening of Monday, July 9.

Motorists in the area are asked to use caution when using the intersection, and to expect some delays if traffic is heavy.

No one was injured in the July 4 crash.
