PUBLIC OPEN HOUSE ON BURNSVILLE CENTER/COUNTY ROAD 42 REDEVELOPMENT STUDY NOV. 8

Retail in America is changing at a significant pace. The rise of online shopping and people's desire for enhanced experiences are pushing retailers and retail centers to adjust their approach to engaging the communities they serve.

Reimagining Retail in Burnsville

The City of Burnsville is currently undertaking a study to look at the best ways to redevelop the area around the Burnsville Center/County Road 42 corridor. The goal is to determine how this area could evolve in the future to better serve the community and region.

A public open house is being held on the study. Once the study is complete, it will help guide future development in the area and show what is possible with respect to retail, recreation, housing, entertainment, transportation and public/private partnership options.

What: Burnsville Center/County Road 42 Redevelopment Open House
When: Thursday, Nov. 8 | 6 – 7:30 p.m. (*Presentation at 6:15 p.m.*)
Where: Burnsville City Hall, 100 Civic Center Parkway
