**HEART RESTART COMPRESSION ONLY CPR TRAINING OFFERED
AT BURNSVILLE FIRE STATION ON NOV. 20**

Who will YOU save if you learn CPR?

Each year, sudden cardiac arrest kills approximately 325,000 Americans – more than car crashes; firearms; house fires; AIDS; and breast, prostate and colorectal cancer combined. What’s more, this top killer can strike anyone, at any age, without warning.

The Burnsville Fire Department is once again offering a free, one-hour CPR class and materials to any individual, group or organization wishing to learn the lifesaving skill. (The class is in a “Compression Only” format, and does not fulfill certification requirements.)

RSVPs are encouraged to gauge the number of participants.

When: Tuesday, Nov. 20 | 6:30 – 7:30 p.m.
Where: Burnsville Fire Station No. 1, 911 W. 140th St.
Who: Ages 12+
RSVP: 952-895-4570

For more information – or to schedule a Heart Restart training for your group, organization or neighborhood – contact Deb Oxborough in Fire Administration at Deborah.oxborough@burnsvillemn.gov or 952-895-4570.
